

25 Things to be Grateful For

**There are many things that can
add to your happiness each day!**

1. Coffee. The smell of coffee and that first sip are like heaven for coffee drinkers.

A close-up, low-angle shot of a sandy beach. In the foreground, a single footprint is visible in the sand, with some smaller tracks to its left. The sand is a light, warm tone. In the background, the ocean waves are visible, with white foam from the surf. The sky is a pale, hazy blue. The overall lighting is soft and natural, suggesting a bright but slightly overcast day.

2. The beach. Does anyone dislike the beach? Fun, sun, and water are a tough combination to beat.

3. Third dates. The first date is a nail-biter. The second is still a little awkward.
